

Starting Classes After Covid19 Lockdown

Basic Pistol

June 29, 2020

Classroom Size: 6 - 12 students. Seating: six feet apart.

Students' health condition: Every student must be healthy and is free from any coronavirus related symptoms. Temperature may be checked.

Mask: Required in lobby area. Classroom and shooting lanes not required. Scarf, bandana, face shield may be used.

Eye/Ear Protection: **Students are encouraged to bring their own eye / ear protection and hand sanitizer or wipes.**

Otherwise, disposable earplugs will be provided. Eye protection must be washed with soap and water by the students after use. Regular eyeglasses may be used if it provides ample protection from debris.

Firearms and Equipment:

- All items touched by students / instructors are to be wiped down with disinfectant wipes after each class.

Range:

- One-to-One Instructor-to-Student ratio will be observed. Range commands will be ordered from a distance wherein social distancing is observed. However, emergency actions may be applied when necessary.
- Students will be asked to use hand sanitizer after touching firearms or other objects touched by instructors or other students.
- Student who completed the course of fire will be sent to dispose the earplugs, wipe the ear protection, wash their hands and eye protection before being sent back to the classroom.
- Cleaned and sanitized eye protection will be placed inside a clean bag for the next class.
